RED MEN .- The editor of the Calumet, the organ of the Improved order of Red Men, printed in San Francisco, thus prefaces a letter stopping at Ford's Hotel. General Steuart is be has received from P. G. J. Hugh Latham, of this city.

"We know that the brotherhood in Califor pia and e sewhare will persue the following letter with interest. Brother Latham is most kindly remembered here and his memory warm ly cherished. We trust he may again visit California and give us the opportunity to welcome him anew.'

The following are extracts from the letter al luded to."

"You are already aware that we are in, that's lucky ain't it? But we are not in luck pecuniarily. We've a Governor, we've a Leg islature, and after a while we hope to have some other officers and fixins. Were you ever out? Were you ever in a state of "beteenity?" If you have been there you can sympathise with the disconsolate. It you have not, I hope you never may be.'

The Great Sachem of Virginia, Brother J P. Riely, has been very diligent during the past Great Sun. He has established another Tribe in Richmond, one in Harrisonburg and one in Berryville. He has also resuscitated Cherokee Tribe in Lynchburg. Nearly every Tribe in the State is doing well."

"The Great Council will meet in this city on the 4th Sun Flower Moon next.'

RAILROAD IMBROGLIO. - The French direc tory, with their counsel, Messrs. L. B. Taylor. H. O. Claughton, F. P. Staunton and J. H. Gilmer, appeared before Judge Underwood in the room of the U. S. District Court this morn ing, to an wer rules issued against them to show cause why they should not be punished for contempt, in refusing to obey an injunction issued by him restraining them from interfer ing with the affairs of the Alexandria and Washington railroad. The Shoemaker directory, with their counsel, Messrs, F. L. Smith and Geo. W. Brent, were also present, and moved that the parties against whom the rules had been issued be fined. A large number of soil of fine quality: good dairy and fruit farm. spectators were in attendance and the arguments of the counsel and the remarks of the Judge were listened to with great attention.

CANAL NEWS .- The Comberland Transcript of yesterday says :-

"The water in the river has subsided and boats are regularly arriving and departing.

On yesterday afternoon the canal boat "H. B. Cromwell," Captain Show, of the American Coal Company's line, while approaching the julet lock of the canal, got adrift and went down upon the dam. Arrangements are being made to lighten the boat of a part of her cargo, when she will float.

P. S.-Since the above was put in type we learn, that through the exertions of Mr. Robb, the gentlemanly and energetic agent of the company, in this city, the boat was gotten off at 12 o'clock, last night."

In addition to the boat load of cement which arrived here yesterday, a boat load of grain was received, and a boat loaded with plaster and salt departed for Williamsport.

ALEXANDRIA LITERARY SOCIETY.-The regular weekly meeting of the Alexandria Literary Society was held last night at the usual place, the rooms of the Alexandria Christian Association, the president W. F. Carne in the chair. Mr. Whittlesey declaimed a piece in excellent style. The question, should compulsory education be adopted in the United States, was then discussed by the chosen polemics and volunteer debaters until a late hour and decided in the affirmative. Among those who took part in the debate were Messrs. Lacy, Hill, Latham, and Williams.

Messis. Witmer and Slaymaker have added a stock of cassimers and Gents, furnishing goods to the other attractions of their dry goods store, which must be great, judging from the immense piles of new goods, just received from the North, seen on the sidewalk in front of their establishment this morning.

The exhibition given by the Sunday School attached to the Colored Methodist Church. last night, was a success in every partic ular, and reflected great credit upon all con-

cerned in its production. A thief, last night, stole the new steps from the dwelling house of Mr. John Powell on

Cameron Street near Patrick. A deranged woman, giving her name as Virginia Rowland, and hailing from Frederick, Md., appeared here yesterday, on the look out for General Beauregard. She was taken in charge by the police, but managed to elude them and is still at large.

The Richmond mayoralty ease is ready for argument. Hon. James Neeson, Judge J. A. Meredith, for Ellyson, and ex Gov's. Wise and Wells for Chahoon, are here. They expect to argue the preliminary questions before Chief Justice Chase in chambers at his earliest convenience. The question at issue is the power of Judge Under-

wood to interfere in the matter at all. Chief Justice Chase has been presiding in the Supreme Court since eleven o'clock. There is some expectation that he will hear the Richmond mayoralty case this afternoon. But there seems little probability that the counsel will get a hearing until a 'ate hour if at all to

SPECIAL NOTICES.

Caution-Audacious Counterfeit. The reputation which, for many years, has attached to "Hostetter's Stomach Bitters," as the STANDARD TONIC OF THE AGE, and the large demand for the article, not only in the United States but elsewhere, have provoked the cupidity of the counterfeiting TRIBE and it has been extensively SIMULATED and IMITATED by unscrupulous sharpers.

The most daring counterfeit of said article, which has been extensively simulated article, which has been extensively as recently counterfeit.

which has been attempted has recently come to our knowledge. The engraved stellabel on bottles containing the genuine bitters, with its beautiful vignette of St. George and the dragon, its shield, containing a warning against counterfeiters, and its note of hand for "one cent" at the foot, signed with our firm name, has been copied so closely, that the fraud can only be detected on a minute inspection. The dark label is also well counterfeited, and the wording on both the imitation and genuine, are precisely the same, the difference being simply in the execution of the work; that of the imitation being somewhat coarser than the genuine -Other counterfeits are on the market, which are in all particulars the same as described above, with the exception of a slight difference in the spelling of our name.

In addition to the above, these counterfeiters have gone so far in some instances as to place a strip of paper over the cork and fasten to the orck of the bottle, on which is a vignette, and otherwise printed to resemble the general appearance of our proprietary U. S. Revenue stamp, but upon inspection will disclose the absence of the figure '4" and the words 'four cents,' also 'United States Internal Revenue,' all of which, together with additional wording, appear on our genuine stamp. The public are, therefore, especially warned against these new counterpairs, and are advised to purchase Hostetter's Stomach Bitters only of houses whose integrity is above suspicion. The true specific is sold in bottles exclusively-never in ap 4-eolw bulk -HOSTETTER & SMITH.

Office of FISK & HATCH, BANKERS AND DEALERS IN GOVERN-

MENT SECURITIES,

No. 5 NASSAU STREET, NEW YORK, February 15th, 1870.

The remarkable success which attended our negotiation of the Loans of the CENTRAL PA-CIFIC KAILROAD COMPANY and the WESTERN PACIFIC RAILEDAD COMPANY, and the popularity and credit which these Loans have maintained in the markets, both in this country and Europe, have shown that the First Mortgage Bonds of wisely-located and honorably-managed Railroads are promptly recognized and readily taken as the most suitable, safe and advantageous form of investment, yielding a more liberal income than can hereafter be derived from Government Bonds, and available to take their place.

Assured that, in the selection and negotiation of superior Railroad Loans, we are meeting a great public want, and rendering a valuable service-both to the holders of Capital and to those great National works of internal improvement whose intrinsic merit and substantial character, entitle them to the use of Capital and the confidence of investors-we now offer, with special confidence and satisfaction, the

FIRST MORTGAGE BONDS OF THE

Chesapeake and Ohio Railroad Co

The Chesapeake and Ohio Railroad, connecting the Atlantic coast and the magnificent harbors of the Chesapeake Bay with the Ohio River at a point of reliable navigation, and thus, with the entire Railroad system and water transportation of the great West and Southwest, forms the additional East and West Trunk Line, to imperatively demanded for the accommodation of the immense and rapidly growing transportation between the Atlantic seaboard and Europe on the one hand, and the great producing regions of the Ohio and Mis-

sissippi Valleys on the other. The importance of this Road as a new outlet from the West to the sea magnifies it into one of national consequence, and insures to it an extensive through traffic from the day of its completion; while, in the developement of the extensive agricultural and mineral resources of Virginia and West Virglnia, it possesses, along its own line, the elements of a large and profitable local business.

Thus the great interests, both general and local, which demand the completion of the CHES-APEAKE AND OHIO RAILROAD to the Ohio River, afford the surest guarantee of its success and value, and render it the most important and substantial Railroad enterprise now in progress in this country. Its superiority as an East and West route,

and the promise of an immense and profitable trade awaiting its completion, have drawn to it the attention and co-operation of prominent Capitalists and Railroad men of this City, of sound judgment and known integrity, whose connection with it, together with that of eminent citizens and business men of Virginia and West Virginia, insures an energetic, honorable and successful manage-The Road is completed and in operation from
